

General Employee Training (GET)

The following courses are Institutional Training Requirements that all employees must take when they are initially hired, and a subset that are repeated periodically. These courses are not specifically associated with the employee's work assignment and should be charged to project/task 40415/INST_TRAIN. The top section shows courses that are required when the person initially works for LLNS and the bottom section shows courses that have annual or biennial repeats.

General Employee Training (GET)
